

QUALITY AND ENVIRONMENT POLICY

FIAVIT is committed to solidifying its organization, which consists of:

- Serve the **Customer** well.
- Develop and produce yarns in accordance with the requirements and specifications established by customers, ensuring their satisfaction.
- **FIAVIT teams and suppliers**, working together towards the same end.
- Work as a team to achieve the **quality** of our products and services.
- Comply with applicable legal and regulatory requirements and **continuously improve** the performance and effectiveness of the Quality Management System.
- Adoption of **good environmental management practices**, through adequate management of the sustainable use of resources, with emphasis on the careful management of waste, favoring reduction, reuse and recycling/recovery, as well as preventing pollution and waste.
